**We accept files in the following formats:
PDF (preferred), Jpeg, and Tiff formats.**

We are NOT able to accept files in Microsoft Word, Excel or any Office format. We are NOT able to use ads printed from an inkjet printer or from internet images as the resolution is too low.

LPCC reserves the right to re-type or adjust any image that we feel will not print properly.

File resolution must be 300dpi and in the correct dimensions as stated above.

Because our magazine is printed in black/white, black and white files are preferred.

If sending a business card, please do NOT staple or paperclip it, as this damages the card.
